SECTION 1. GENERAL**1.1 CONTRACT**

This Correspondent Seller's Guide (as amended from time to time in accordance with the terms hereof, referred to as the "Guide"), together with any other Transaction Documents, sets forth the terms and conditions for the sale of Mortgage Loans by Seller to Nations Direct Mortgage, LLC ("NDM" or "Buyer"). Capitalized terms used but not otherwise defined in the Guide shall have the meanings ascribed to them within [Definitions](#).

The Guide is available at www.myndm.com/Correspondent (the "Correspondent Program Website") and provides product, program, and policy information for the sale of Mortgage Loans to NDM.

The Guide may be amended from time to time in accordance with Section 9 regarding [Amendment; Termination; Miscellaneous](#).

1.2 CORRESPONDENT PROGRAM WEBSITE

The NDM Correspondent Website is a secured site that provides Seller with access to the Seller Guide, Nations Direct Mortgage bulletins and access to the NDM Loan Manager Non-Delegated Correspondent portal in which provides the ability to lock loans and view pipeline. Once approved as an NDM Non-Delegated Correspondent, a user name and password will be provided along with other access and login credentials.

Seller will designate a user administrator that will be responsible for their employee's logins and management of access. Seller shall immediately terminate access to the Correspondent Program Website for any employee upon such employee's termination of employment with Seller. Seller shall be liable for any misuse of the Correspondent Program Website by its current or former employees.

1.3 NDM APPLICATION FOR SELLER APPROVAL**1.3.1 Seller Application Approval**

Eligible Non-Delegated Correspondent clients will complete the Non-Delegated Correspondent Application Package through our compliance monitoring partner, Comergence Compliance Monitoring (www.comergence.com). Once the Correspondent applicant's submission has been approved via Comergence, NDM will send a countersigned copy of the Loan Purchase Agreement to the Seller Partner.

1.3.2 Seller Application Suspense

If NDM cannot render a decision based on the documentation provided in the Seller Application Package, it will advise the applicant of any missing or incomplete information or documents necessary for NDM to make a determination regarding eligibility. If the necessary documentation is not promptly provided, the Seller Application Package will be denied.

1.3.3 Seller Application Denial

If NDM determines in its discretion to deny a Seller Application Package, it will advise the applicant of the in a written letter. The Seller will be eligible to reapply if the reason for denial has been remedied.

1.4 MAINTAINING ELIGIBILITY

1.4.1 General

Upon the occurrence of an [Event of Default](#), Nations Direct Mortgage may exercise the remedies set forth in that section of the Guide.

1.4.2 Audits and Regulatory Examinations

Seller must notify Nations Direct Mortgage within seven (7) Business Days of receipt of any adverse audit report issued by a state examiner, federal regulator, government agency (including HUD), government sponsored entity (including Fannie Mae, Ginnie Mae or Freddie Mac) or Warehouse line provider. Any disciplinary action taken by any such regulator or agency must be reported to Nations Direct Mortgage within three (3) Business Days of knowledge.

1.4.3 Notifications

Seller shall immediately notify Nations Direct Mortgage of any of the following:

- Any material change in the information included in the Seller Application Package;
- Any material change in the ownership, financial condition or senior management of Seller, including a change in control as defined by any regulator or any jurisdiction in which it conducts business;
- Changes to the name or address under, or from which, it conducts business;
- Seller becomes aware of any action, suit, proceeding or complaint brought by a Mortgagor;
- Any action, suit, proceeding, inquiry, review, audit or investigation pending or, to Seller's knowledge, threatened by or against Seller that, either in any one instance or in the aggregate, may result in any material adverse change in the business, operations, financial condition, properties or assets of Seller, or in any material liability on the part of Seller, or which would draw into question the validity or enforceability of any of the Transaction Documents or the Mortgage Loans, or of any action taken or to be taken in connection with the obligations of Seller contemplated in the Transaction Documents, or which would be likely to impair materially the ability of Seller to perform under the terms of the Transaction Documents;
- The occurrence of an [Event of Default](#);
- Entry of any court judgment against Seller in excess of three percent (3%) of Seller's net worth as of the end of the fiscal quarter immediately preceding the date of such judgment; or
- Seller admits to committing, or is found to have committed, a material violation of any law, regulation, or order that could have a material adverse effect on Seller's performance under the terms of the Transaction, or on Seller's ability to continue its operations in a manner similar to its then-current operations.

1.5 RECERTIFICATION

Nations Direct Mortgage will conduct eligibility reviews on an annual basis to ensure that Seller continues to meet the “Seller Partner Eligibility Policy”. In connection with any such review, Seller is required to provide Nations Direct Mortgage with any updated financials or any other information as requested by Nations Direct Mortgage and available to Seller.

Seller will also be required to complete an updated application through Comerence Compliance Monitoring on the anniversary of their approval.

Additionally, if Seller has not sold a Mortgage Loan hereunder for 12 (twelve) months or more, NDM may, in its discretion and by notice to Seller, suspend Seller from delivering Registration Packages until such time as Seller has provided Nations Direct Mortgage with all information requested by Nations Direct Mortgage (including, if requested, an updated Seller Application Package) and Nations Direct Mortgage has deemed Seller as eligible in accordance with the foregoing Subsections and the Guide.

SECTION 2. COMMITMENT POLICIES AND PROCEDURES**2.1 LOCKING & PRICING**

The NDM Loan Manager Non-Delegated Correspondent Web Portal will provide the Seller the ability to upload their FNMA DU 3.4 file to create a NDM loan number so they can price their loans, lock when applicable and perform general pipeline management. Nations Direct Mortgage will post current rates to the Loan Manager Non-Delegated Correspondent Web Portal. All posted pricing includes the service release premium.

Nations Direct Mortgage reserves the right to adjust prices at any time due to market fluctuations, “re-price”. During a re-price, Seller’s ability to submit Lock requests will be suspended. A Lock confirmation will be issued at the pricing in effect at time of the Lock request.

Nations Direct Mortgage does not provide pricing protection. Lock requests received after 3:30 PM Pacific Standard Time (PST) will not be accepted.

2.2 RATE-LOCK POLICIES AND PROCEDURES

All Lock requests must be submitted electronically through the Loan Manager Non-Delegated Correspondent Web Portal. Seller may not request a Rate Lock with respect to a mortgage loan unless and until Seller has uploaded the FNMA DU 3.4 file where an NDM loan number has been established. Nations Direct Mortgage will post notice of a Lock Confirmation or a denial of the Lock request on the Correspondent Web Portal promptly following Nations Direct Mortgage’s determination, in its discretion, to issue a Lock or denial, as applicable. Once a Lock has been issued with respect to a mortgage loan a Lock Confirmation will be emailed to the seller. In the event a loan term, loan program or characteristic changes on a locked loan, the base pricing and applicable price adjustments will be based off the rate sheet on the day the loan was originally locked. For the avoidance of doubt, the issuance of a Lock Confirmation does not guarantee approval of the related Mortgage Loan, but rather constitutes solely an agreement from Nations Direct Mortgage to purchase such Mortgage Loan so long as Seller and such Mortgage Loan satisfy all conditions to such purchase set forth in this Guide and elsewhere in the Transaction Documents.

Rate Lock periods are included on the posted rate sheets as well as the Lock Confirmation. Each Lock Confirmation will set forth the expiration date of such rate lock. When the seller has delivered a funded closed loan package by 3:00pm PST on or before the date of lock expiration the rate lock will be extended four calendar days at no cost. If the seller requires additional time to clear prior to purchase conditions, normal extension costs will apply. Subject to Lock Extensions, if Seller has not delivered a complete Closed Loan Package by 3:00pm PST on or before the lock expiration date the Rate Lock shall automatically, without further action from any Person, be deemed expired and rescinded. If the expiration date falls on a day other than a Business Day, the expiration date shall be deemed to be the immediately succeeding Business Day. Mortgage Loans for which the related Closed Loan Package is delivered after the expiration date of the Rate Lock will be subject to a new rate lock at a price equal to the greater of (i) the applicable price at the time of the initial rate lock and (ii) the applicable price at the time of delivery of the Closed Loan Package and new rate lock request.

Lock Extensions. Seller must request any desired extension to an outstanding rate lock by 6:00pm PST on or before the rate lock expiration date. The terms and pricing for such extension shall be set forth in the rate sheet applicable at the time of Nations Direct Mortgage’s receipt of the extension request. If an extension request has not been received by Nations Direct Mortgage by 6:00pm PST on or before the date of lock expiration the lock will be canceled. A maximum of 2 lock extension are allowed on each loan.

NON-DELEGATED CORRESPONDENT SELLER GUIDE

Duplicate Commitments. If at any given time, more than one Rate Lock has been issued and is outstanding with respect to any mortgage loan, unless otherwise expressly agreed to by Nations Direct Mortgage, such mortgage loan shall be deemed subject to a single Rate Lock at a price equal to the lowest price set forth in any such Lock Confirmation.

2.3 DELIVERY

As set forth above in the Rate Lock Policy and Procedures, the closed loan package with respect to any mortgage loan that is to be considered for purchase hereunder must be delivered by 3:00pm PST on or prior to the expiration date of the related Lock Confirmation. Delivered means the Closed Loan Package along with a signed note and all supporting documents have been uploaded and submitted to Nations Direct Mortgage through the Loan Manager Non-Delegated Correspondent Web Portal.

Pair-Off Fees. Any mortgage loan funded or closed by the seller that is at any time subject to a Rate Lock with Nations Direct Mortgage but is not delivered for purchase consideration hereunder will be subject to a pair-off fee. The pair-off fee with respect to any mortgage loan shall be determined by calculating the difference between the applicable price at the time of the initial rate lock and the rate sheet price for the same product and note rate at the time of expiration of the same rate lock. If the price has declined, no pair-off fee is charged. If the price has increased, the pair-off fee charged shall equal the product of the principal balance of the mortgage loan set forth in the lock confirmation multiplied by the percentage increase in price. Seller shall pay any pair-off fee with five (5) Business Days of notice from Nations Direct Mortgage. Nations Direct Mortgage may, in its discretion, offset any outstanding pair-off fees from any payment made by Nations Direct Mortgage to Seller hereunder (including the purchase price for any Mortgage Loan).

-------------------------------------	--

NON-DELEGATED CORRESPONDENT SELLER GUIDE

Note: The CLTV ratio is applicable to Conforming Loans and calculated by adding the HELOC credit line limit (rather than the amount of the HELOC in use) to the first mortgage amount, plus any other subordinate financing, and dividing that sum by the value of the mortgaged premises.

- For new Closed End subordinate financing the following also apply:
- Maturity date or amortization basis of the junior lien must not be less than five years after the Note date of the first lien Mortgage, unless the junior lien is fully amortizing
- The loan cannot have a balloon or call option within five years of the date of the Note.

The terms of a HELOC may provide for a balloon or call option within the first five years after the Note date of the first Mortgage.

Acceptable Documentation

The terms of any subordinate financing must be verified. The following sources of verification are acceptable*:

Existing subordinate loans (loans that will be re-subordinated):

- A copy of the credit report, or
- A copy of the mortgage note, or
- A direct verification from the lender, or
- A copy of the loan statement

Reminder for home equity lines of credit (HELOC): If an existing HELOC is reduced without modifying the original Note, the original line limit must be used to calculate the Combined-Loan-to-Value ratio.

New subordinate loans obtained prior to or at closing:

- A copy of the mortgage note, or
- A direct verification from the lender, or
- A copy of the commitment letter from the lender or
- A copy of the Closing Disclosure evidencing proceeds Notes:

Whether the subordinate financing is existing or new, a full underwrite of the documentation provided is required to ensure the subordinate financing meets the requirements.

If the subordinate lien's terms cannot be verified in their entirety with a single source of verification, the use of a combination of the above documentation options is acceptable.

FHA Loans:

- Secondary Financing must be financed by Government, Agency, or non-profit institution.
- No Cash-Out Refi: Existing subordinate financing (purchase money 2nd or 2nd mortgage > 6 months old) may remain in place subject to CLTV.
- New subordinate financing (non-purchase money 2nd or 2nd mortgage < 6 months old) is limited to 100% CLTV.

insurable value and providing for loss or damage settlement on a replacement cost basis.

Blanket Policy:

Nations Direct Mortgage will also accept blanket insurance covering all units in the PUD as well as insurable common areas and property, if called for in the PUD's constituent documents. Such coverage must meet the requirements applicable to each PUD unit and those applicable to insurable common areas and property. Funds for any deductibles must be included in the association's reserves and be so designated. The PUD's insurance policy must name the insured in substantially the following language: "Association of Owners of the *"PUD Name"* Planned Unit Development for the use and benefit of the individual owners (designate by name, if required by law or the constituent document.)"

CONDOMINIUM REQUIREMENTS

The condominium owner's association must maintain blanket "all risk" coverage for (i) general and limited common elements within the condominium, (ii) fixtures, machinery, equipment, and supplies maintained for the service of the condominium and (iii) fixtures, improvements, alterations, and equipment within the individual units. Coverage must be for 100% of the insurable value of the common elements or property described above and provide for loss or damage settlement on a replacement cost basis. The additional coverage required of PUD homeowners' associations are also required of condominium owners' associations where applicable and available.

The insurance policy of the condominium owners' association must name the insured in substantially the following language: "Association of Owners of the *"Condo Name"* Condominium for the use and benefit of the individual owners (designated by name, if required by law or the constituent documents)."

HO-6-Condo Unit Owners Coverage:

The Mortgagor must show evidence of hazard insurance coverage for all condominium projects with attached units, including 2 to 4-unit projects that cover fixtures, equipment, and other affixed property inside individual units if they will be financed by the Mortgage. The Mortgagor must also show evidence of a "walls-in" coverage policy (commonly known as HO-6 policy) unless they can document that the master policy provides the same interior unit coverage. The master policy must include replacement of improvements and betterment coverage to cover any improvements that may have made to the unit. The certificate of building coverage under the master policy for the association must be collected. Seller shall not include the HO-6 insurance into its escrow analysis or collect funds for this coverage.

<p>Flood Insurance Requirements</p>	<p><u>Acceptable Flood Insurers:</u></p> <p>The insurance company issuing the policy must meet Fannie Mae guidelines. The insurance company must be authorized by law or licensed by the jurisdiction to transact business within the state where the subject property is located.</p> <p><u>General Requirements:</u></p> <p>Each flood determination must include (a) a flood zone determination on a Standard Flood Hazard Determination Form, (b) community and panel number, (c) date of flood map and (d) flood zone status. If a Mortgaged Property is located in a FEMA-designated Special Flood Hazard Area (SFHA), Seller must first determine if the community in which the Mortgaged Property is located participates in the National Flood Insurance Program (NFIP). If such community participates under NFIP, federal flood insurance must be obtained in connection with the Mortgage Loan. If such community does not participate under NFIP, the Mortgage Loan will be ineligible for purchase hereunder.</p> <p><u>Disclosure Requirements:</u></p> <p>In the event the Mortgaged Property is located in a SFHA, Seller must endeavor to notify the Mortgagor in writing 10 days prior to the closing of the mortgage loan, unless exigent circumstances exist (but such notification must in any event be made in accordance with Applicable Requirements). Such notice must, <i>inter alia</i>, include (a) the community name, (b) a statement that the Mortgaged Property is located in a SFHA, (c) a statement as to whether the community in which the Mortgaged Property is located participates under NFIP and (d) a statement as to whether federal disaster relief assistance will be available in the event of flooding.</p> <p><u>Evidence:</u></p> <p>In addition to the above-referenced disclosures, the Closed Loan Package must include evidence of flood insurance when such insurance is required hereunder. Flood insurance must be in the form of the standard policy issued by members of NFIP or by licensed property and casualty insurance companies that are authorized to participate in the NFIP write-your-own program. For purchase transactions, a one year paid receipt and an application or policy declaration page is required to be included in the Closed Loan Package (a binder and/or proof of flood</p>

insurance premium collected on the Closing Disclosure is not sufficient). It is possible to transfer a flood policy on a purchase transaction to another owner if at least 30 days are remaining on the policy at the time of closing/purchase. On a transferred policy, no additional money is collected at the table for the insurance company. The remaining months left on the policy must be prorated on the Closing Disclosure; provided that if the remaining months left on the policy were not prorated on the HUD, they would be considered seller contributions and would need to meet the seller contribution requirements of this Guide. For a refinance transaction, an existing policy may be used, provided that the policy has a minimum of 30 days remaining before expiration/renewal from the date of closing/purchase. If the policy has less than 30 days remaining from the time of closing a copy of the renewal policy along with a 1 year paid receipt is required.

Deductible:

Unless state law requires a higher maximum amount, the maximum deductible may not exceed \$5,000. For dwellings located in a condo or PUD project, the maximum deductible \$25,000 under the homeowner association’s policy. For condos and PUDs homeowner association policies, funds for the deductibles must be included in the association's reserves and must be so designated.

Escrow Requirements:

If the collateral securing the mortgage loan meets the definition of “residential improved real estate” and Seller requires escrows for any other items (e.g., hazard insurance, taxes), then Seller must also escrow flood insurance premiums.

Amount; 1 to 4 Family Properties:

Coverage amount must be equal the least of the following:

- The maximum insurance available from the NFIP (currently \$250,000) per dwelling;
- The unpaid principal balance of the mortgage loan; and
- 100% of the replacement costs of the insurable value of improvements.

The insurable value of improvements may be determined by (a) using the amount identified as the “replacement cost” on the declaration page of the flood insurance policy, and if this is not available, then (b) the replacement value as on the hazard insurance policy (which must state that it includes the foundation and for the avoidance of doubt, in no event should the insurable value be based on the coverage amount used in a hazard insurance policy), and if this is not available, then, (c) he replacement cost of the improvements from the appraisal.

NON-DELEGATED CORRESPONDENT SELLER GUIDE
Amount; Condos and PUDs:

If the condo or PUD project has attached units, the homeowner's association (HOA) must carry flood insurance if any units are located in a SFHA. Coverage under the policy must be equal to the lesser of:

- The maximum available of \$250,000 per unit (which will be determined by dividing the amount of coverage by the number of units listed on the flood insurance policy);
- The unpaid principal balance of the mortgage loan; and
- 100% of the replacement cost as determined by the insurance provider.

In the event that the Mortgaged Property is in a SFHA, and the HOA does not carry a master flood policy or it carries such a policy but coverage is insufficient, a supplement policy must be obtained by the Mortgagor to equal the least of the amounts set forth above. By way of example, if the HOA policy does not cover 100% replacement and the amount of such policy, divided by the number of units on the policy equals \$200,000 and the unpaid principal balance of the mortgage loan is \$225,000 the Mortgagor would be required to obtain a supplemental flood insurance policy for at least \$25,000.

If the condo or PUD project does not have attached units, refer to 1 to 4-Family Property coverage requirements.

Depending upon the magnitude of the event and the program selected, additional guidelines for employment and income may apply. At a minimum, all properties located in a federally declared disaster area are subject to the policies below. Seller is responsible for monitoring Federal Emergency Management Agency ("FEMA") announcements for ongoing updates regarding disaster areas. Nations Direct Mortgage has no obligation to notify Seller of such updates. The following outlines the minimum requirements for loans delivered to Nations Direct Mortgage that are located in a disaster area. In addition to the policies below, Nations Direct Mortgage reserves the right to suspend funding prior to submission of any Closed Loan Package for properties located in any area while the disaster is occurring.

An inspection of the property will be required for properties located in a FEMA declared disaster area (or other disaster area where this policy is imposed) when the appraisal was completed before the end date of the disaster. The inspection must be obtained prior to purchase. The inspection must: (a) be completed on Fannie Mae Form 1004D; (b) contain an exterior photo of the property, evidencing no damage; and (c) include a certification from the appraiser stating (i) that an interior inspection was completed by the appraiser, (ii) the date of inspection was after the end of the disaster period, as identified by FEMA, and prior to the Purchase Date, (iii) the property is free from damage and is in no worse condition as when previously inspected and appraised, and (iv) commentary concerning negative conditions that would impact the marketability of the property. The Mortgagor must inspect the property after the date of the FEMA declared disaster date and prior to the Purchase Date and provide a certification that he or she completed such inspection and finds the condition of the property to be acceptable.

4.1.5 Escrow Requirements

Seller must provide a certified copy of the original escrow/closing instructions in the Closed Loan Package. The closing instructions must be complete with accurate instructions. An escrow account/impound account must be established for each Mortgage Loan unless prohibited by Applicable Requirements or unless waived in accordance with the terms set forth in Escrow Waivers. The multi-state Note can be used in most jurisdictions, unless the Mortgaged Property is located in a jurisdiction for which Fannie Mae and Freddie Mac have published a state specific Note or has indicated that the lender must adapt the Note to include required state-specific language. In these jurisdictions, Seller must make all changes required by Fannie Mae and Freddie Mac.

4.3.3 MERS

Each Mortgage Loan must be closed using the MERS System as an Original Mortgagee (MOM) Mortgage Loan. The Mortgage must have all required MERS language included and the MIN shown on the front page. The accuracy of the APR will be calculated based on the rules set forth in Reg. Z, §1026.22 which states that an APR on a mortgage loan will be considered accurate so long as it is not understated by more than .125%. NDM will accept an overstated APR, so long as the reason the APR was overstated at disclosure was tied to the fact that the Finance Charge was also overstated. In the event that the Finance Charge was understated, and the APR was overstated, the APR will be deemed inaccurate and the loan will not be eligible for purchase.

4.3.6 Right of Rescission

Any interest required to be paid pursuant to federal, state, and local law has been properly paid and credited.
- Y. **Doing Business; Licensing; Approvals.** All parties that have had any interest in the Mortgage Loan, whether as mortgagee, assignee, pledgee, or otherwise, are (or during the period in which they held and disposed of such interest), were (a) in compliance with any and all applicable requirements concerning licensing and qualifications to do business under the laws of the state wherein the Mortgaged Property is located, and (b) either (i) organized under the laws of such state, (ii) qualified to do business in such state, (iii) federal savings and loan associations or national banks having principal offices in such state, or (iv) not doing business in such state. Seller and each Loan Originator, Processor, Underwriter, or other associate employed or affiliated with the Seller that is required to be licensed under the SAFE Act or any state law, has obtained and shall maintain in full force and effect, without material impairment, suspension or revocation, all federal and state governmental licenses, approvals, registrations, qualifications, and permits necessary both to perform its obligations

hereunder and, if applicable, to conduct the origination business with FHA and VA. Seller has complied with all of the requirements of the applicable insuring or guaranteeing agency for FHA or VA Loans.

- Z. **Regarding the Mortgagor.** The Mortgagor is one or more natural persons. The Mortgagor was not a debtor in any state or federal bankruptcy or insolvency proceeding at the time the Mortgage Loan was originated. To the best of Seller's knowledge, the Mortgagor is not a debtor in any state or federal bankruptcy proceeding as of the Purchase Date.
- AA. **Delivery of Mortgage Documents.** The Note, the Mortgage, the Assignment of Mortgage and any other documents required to be delivered for the Mortgage Loan by Seller under this Guide have been delivered to Buyer in accordance with the terms set forth in this Guide. Seller is in possession of a complete, true and accurate Loan File, except for such documents the originals of which have been delivered to Buyer. Seller has provided Buyer with copies of all disclosure statements and documents provided to the Mortgagor. Seller has provided Buyer with all documents prepared by, or in the possession of Seller, that were developed or considered in the underwriting of the Mortgage Loan.
- BB. **Customary Provisions.** The Mortgage contains customary and enforceable provisions such as to render the rights and remedies of the holder thereof adequate for the realization against the Mortgaged Property of the benefits of the security provided thereby, including (i) in the case of Mortgage designated as a deed of trust, by trustee's sale and (ii) otherwise, by non-judicial foreclosure, if applicable, and if not, by judicial foreclosure. Upon default by Mortgagor on a Mortgage Loan and foreclosure on, or trustee's sale of the Mortgaged Property pursuant to the proper procedures, the holder of the Mortgage Loan will be able to deliver good and merchantable title to the Mortgaged Property. There is no homestead or other exemption available to the Mortgagor which would interfere with the right to sell the Mortgaged Property at a trustee's sale or the right to foreclose the Mortgage. No Mortgagor agreed to submit to arbitration to resolve any dispute arising out of or relating in any way to the Mortgage Loan transaction.
- CC. **Due-on-Sale.** The Mortgage Loan contains an enforceable provision for the acceleration of the payment of the unpaid principal balance of the Mortgage Loan in the event that the Mortgaged Property is sold or transferred without the prior written consent of the mortgagee thereunder.
- DD. **Compliance with Requests for Missing and Additional Documentation.** Seller shall comply with any request NDM for missing, corrected, or additional documentation related to a Mortgage Loan purchased by NDM. Seller shall promptly comply with any such request, regardless of whether the request was made prior to or after the sale of the related Mortgage Loan, but, unless otherwise agreed by NDM, Seller shall comply with any such request within ten (10) calendar days after receipt of a request from NDM. Seller shall be responsible for any penalty or re-pricing as a result of Seller's failure to comply with any such request within the time frame set forth above, regardless of whether the failure is directly attributable to Seller.
- EE. **Hazard and Flood Insurance.** All buildings and improvements upon the Mortgaged Property are insured by an Insurer approved under the Guide or otherwise acceptable to Buyer against loss by fire, hazards of extended coverage and such other hazards as are customarily insured against in the area where each Mortgaged Property is located in an amount which is at least equal to the amounts required pursuant to the insurance requirements set forth in [Loan Eligibility and Underwriting Policies](#) of this Guide. All individual insurance policies contain a standard mortgagee clause naming Seller and its successors and assigns as mortgagee, and all premiums thereon have been paid. The Mortgage obligates the Mortgagor thereunder to maintain the individual insurance policies at the Mortgagor's cost and expense, and upon the Mortgagor's failure to do so, authorizes the holder of the Mortgage to obtain and maintain such insurance at the Mortgagor's cost and expense, and to seek reimbursement

therefor from the Mortgagor. The hazard insurance policy is the valid and binding obligation of the insurer, is in full force and effect, and will be in full force and effect and inure to the benefit of Buyer upon the consummation of the transactions contemplated by the Loan Purchase Agreement. Seller has not engaged in, and has no knowledge of the Mortgagor having engaged in, any act or omission that would impair the coverage of any such policy, the benefits of the endorsement provided for herein, or the validity and binding effect of either. In connection with any hazard insurance policy, no unlawful fee, commission, kickback or other unlawful compensation or value of any kind has been or will be received, retained or realized by any attorney, firm or other person or entity, and no such unlawful items have been received, retained or realized by Seller. Where required by state law or regulation, the Mortgagor has been given an opportunity to choose the carrier of the required hazard insurance, provided the policy is not a "master" or "blanket" hazard insurance policy covering the common facilities of a planned unit development or condominium development, as applicable. In the case of flood insurance, the Mortgagor obtained the maximum amount of insurance that is available under the National Flood Insurance Act of 1968. If upon origination of the Mortgage Loan, the Mortgaged Property was in an area identified in the Federal Register by the Federal Emergency Management Agency as having special flood hazards (and such flood insurance has been made available), a flood insurance policy meeting the requirements of the current guidelines of the Federal Insurance Administration is in effect which policy conforms to all Applicable Requirements. Initial flood zone determination documentation is included in the Loan File.

- FF. Title Insurance.** The Mortgage Loan is covered by an ALTA lender's title insurance policy or other generally acceptable form of policy of insurance, insuring Seller, its successors and assigns, as to the first priority lien of the Mortgage in the original principal amount of the Mortgage Loan, and against any loss by reason of the invalidity or unenforceability of the lien resulting from the provisions of the Mortgage providing for adjustment in the Mortgage interest rate and monthly payment, subject only to the exceptions contained in clauses (a), (b) and (c) of the "Valid Lien" representation set forth below. Where required by state law or regulation, the Mortgagor has been given the opportunity to choose the carrier of the required title insurance. Additionally, such title policy affirmatively insures ingress and egress, and against encroachments by or upon the Mortgaged Property or any interests therein. Seller and its successors and assigns is the sole insured under the title policy, and such title policy is in full force and effect and will be in full force and effect upon the consummation of the transactions contemplated herein and in the Loan Purchase Agreement. No claims have been made under such title policy and no prior holder of the Mortgage, including Seller, has done, by act or omission, anything that would impair the coverage of such title policy, including without limitation, no unlawful fee, commission, kickback or other unlawful compensation or value of any kind has been or will be received, retained or realized by any attorney, firm or other person and no such unlawful item has been received, retained or realized by Seller.
- GG. No Denial of Insurance.** No action, inaction or event has occurred, and no state of facts exists or has existed that has resulted or will result in the exclusion from, rescission of, denial of or defense to coverage under any applicable pool insurance policy, special hazard insurance policy, PMI Policy or bankruptcy bond, irrespective of the cause of such failure of coverage. In connection with the placement of any such insurance, no commission, fee or other compensation has been or will be received by Seller or any designee of Seller or any corporation in which Seller or any officer, director or employee had a financial interest at the time of placement of such insurance.
- HH. PMI Policy; LTV/CLTV/HCLTV.** All provisions of any related PMI Policy have been and are being complied with, such PMI Policy has been written with a Private Mortgage Insurance Company acceptable to Buyer, is the binding obligation of such insurer, is in full force and effect, and all

NON-DELEGATED CORRESPONDENT SELLER GUIDE

premiums due thereunder have been paid. Seller, and if applicable Seller's associate or agent, has not engaged in any act or omission, and Seller has no knowledge of an act or omission by or on behalf of the Mortgagor or any other person, which act, or omission would impair the coverage or validity of any such policy. Any Mortgage Loan subject to a PMI Policy obligates the Mortgagor thereunder to maintain the PMI Policy and to pay all premiums and charges in connection therewith. The mortgage interest for the Mortgage Loan is net of any such insurance premiums. No event or condition exists which could give rise to or result in a revocation or defense to the policy. All disclosures, notifications and other requirements of the Homeowners Protection Act of 1998 were complied with in connection with any related PMI Policy.

- II. **Location and Type of Mortgaged Property.** The Mortgaged Property is a fee simple property located in the state identified in the Loan File and consists of a single parcel of real property with a single-family residence erected thereon or a two-to-four family dwelling or an individual unit in a planned unit development or condominium project. No Mortgaged Property is a mobile home or a boat. No portion of the Mortgaged Property is used for commercial purposes in such a manner that the Mortgaged Property would be considered commercial rather than residential property by knowledgeable and sophisticated investors active in the residential secondary mortgage market. No Mortgage Loan was made in connection with the construction or rehabilitation of a Mortgaged Property.
- JJ. **Location of Improvements; No Encroachments.** All improvements which are considered in determining the appraised value of the Mortgaged Property at origination lie wholly within the boundaries and building restriction lines of the Mortgaged Property and no improvements on adjoining properties encroach upon the Mortgaged Property. No improvement located on or being part of the Mortgaged Property is in violation of any applicable zoning law or regulations.
- KK. **Occupancy.** The Mortgaged Property is lawfully occupied under all Applicable Requirements, unless properly disclosed to Buyer. All inspections, licenses, and certificates required to be made or issued with respect to all occupied portions of the Mortgaged Property, and with respect to the use and occupancy of the same (including, without limitation, certificates of occupancy and if applicable, fire underwriting certificates), have been made or obtained by Seller from the appropriate authorities. If the Mortgage Loan is identified as an Owner-Occupied Loan, then the Mortgagor occupied the Mortgaged Property or intended to occupy the Mortgaged Property as a residence at the time of origination.
- LL. **Mortgaged Property Undamaged; No Condemnation.** The Mortgaged Property is undamaged by waste, fire, earthquake or earth movement, windstorm, flood, tornado, or other casualty so as to affect adversely the value of the Mortgaged Property as security for the Mortgage Loan or the use for which the premises were intended. There are no condemnation proceedings by any federal, state or local authority pending or, to Seller's knowledge, threatened against the Mortgaged Property. All applicable requirements of the [Disaster Areas and Policy](#) have been met.
- MM. **Environmental Matters.** The Mortgaged Property is free from any and all toxic or hazardous substances and there exists no violation of any local, state or federal environmental law, rule or regulation. There is no pending action or proceeding directly involving any Mortgaged Property in which compliance with any environmental law, rule or regulation is an issue.
- NN. **Payment Terms.** Unless otherwise expressly permitted by the Guide, the related Note is payable on the first day of each month, with interest calculated and payable in arrears, providing for full amortization over the original term.

NON-DELEGATED CORRESPONDENT SELLER GUIDE

- OO. **Valid Lien.** The Mortgage is a valid, existing, enforceable, and perfected first lien on the Mortgaged Property, and on all buildings on the Mortgaged Property, and on all installations and mechanical, electrical, plumbing, heating, and air conditioning systems located in or affixed to such buildings, and on all additions, alterations, and replacements made at any time with respect to the foregoing. The lien of the Mortgage is subject only to: (a) the lien of current real property taxes and assessments not yet due and payable; (b) covenants, conditions, restrictions, rights of way, easements and other matters of the public record as of the date of recording acceptable to mortgage lending institutions generally and specifically referred to in the title report delivered to the originator of the Mortgage Loan, and (i) were referred to or otherwise considered in the appraisal made for the originator of the Mortgage Loan or (ii) do not adversely affect the appraised value of the Mortgaged Property set forth in such appraisal; and (c) other matters to which like properties are commonly subject, which other matters do not materially interfere with the benefits of the security intended to be provided by the Mortgage, or the use, enjoyment, value, or marketability of the related Mortgaged Property.
- PP. **No Mechanic's Lien.** There is no mechanic's or similar lien or claim that has been filed for work, labor or material (and no rights are outstanding that are under applicable law could give rise to such a lien or claim), affecting the related Mortgaged Property, which is or may be a lien prior to, or equal with, the lien of the related Mortgage.
- QQ. **No Additional Collateral.** The Note is not and has not been secured by any collateral except the lien of the corresponding Mortgage and the security interest of any applicable security agreement or chattel mortgage that has previously been disclosed to, and approved by, Buyer in writing.
- RR. **Transfer of Mortgage Loans; MERS.** The Mortgage Loan was registered on the MERS System at origination. The Note contains all necessary intervening endorsements showing a complete chain of endorsement from Seller, and each such endorsement is sufficient to transfer all right, title and interest of the party so endorsing in and to the Note. Seller has delivered all required notifications of the assignment of Mortgage to its third-party vendors (including without limitation, notifications to all related insurance providers). Seller further represents that it has complied with the Electronic Tracking Agreement, the MERS Procedures Manual, and any and all rules or regulations of MERS and informed and confirmed with MERS that each Mortgage Loan has been electronically assigned on the MERS System to Nations Direct Mortgage, LLC or its designee only and not to another Investor.
- SS. **Real Estate Appraisal.** All real estate appraisals provided in connection with any Mortgage Loan shall provide an accurate estimate of bona fide market value of the subject property and shall comply with the requirements set out in this Guide, the Loan Purchase Agreement, and any Transaction Documents and shall also comply with all requirements of Federal or State Law and any applicable agency. Seller has established policies and procedures with respect to real estate appraisers and appraisals in accordance with the requirements described in this Guide, the Loan Purchase Agreement, the Appraiser Independence Rule of TILA, and Title IX of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) and their implementing regulations. The appraiser's compensation was in no way affected by the approval or disapproval of the Mortgage Loan.

Seller must use an Appraisal Management Company (AMC), and ensure that the AMC is complying with all applicable laws and regulations and conforms with all relevant aspects of the Uniform Standards of Professional Appraisal Practice (USPAP) and that the Seller and/or originator of the Mortgage Loan has no interest in the AMC. The appraiser for the Mortgage Loan was duly licensed or certified under the applicable law where the Mortgage Loan was originated, and for each Government Loan was acceptable to FHA or VA, as applicable, and for each Conventional Loan was acceptable to Fannie Mae, Freddie Mac, and/or the investor, as applicable. The Seller will maintain documentation evidencing

each appraiser's qualification and licensing or certification, which will promptly be provided to NDM upon request. In addition, if the Seller establishes an ownership interest in an AMC or appraisal firm, Seller agrees to promptly notify Buyer in writing.

- TT. **Communications Received by Seller.** Within five (5) calendar days of receipt by Seller, Seller shall forward to NDM all communications, inquiries, and remittances which Seller may receive with reference to the Mortgage Loan. Seller shall promptly provide such other information as NDM may reasonably request.
- UU. **No Brokers or Finders Fees.** Seller has not in connection with the Mortgage Loan incurred any obligation, made any commitment or taken any action that might result in a claim against Buyer or an obligation by Buyer to pay a sales brokerage commission, finder's fee or similar fee in respect to the transactions between Buyer and Seller as described in this Guide or the Loan Purchase Agreement.
- VV. **Deeds of Trust.** In the event the Mortgage constitutes a deed of trust, a trustee, duly qualified under applicable law to serve as such, has been properly designated and currently so serves and is named in the Mortgage, and no fees or expenses are or will become payable by Buyer to the trustee under the deed of trust, except in connection with a trustee's sale after default by the Mortgagee.
- WW. **Date of Origination.** The Mortgage Loan was closed and funded in Seller's name at least three (3) days prior to the related Delivery Date, but no more than fifteen (15) days prior to the Delivery Date without the assistance or other involvement of any mortgage broker or other third-party loan correspondent at any time. If the Mortgage Loan is reportable under the federal Home Mortgage Disclosure Act, Seller will include such Mortgage Loan in its "Loan Application Register" thereunder.

SECTION 7. ADDITIONAL SELLER COVENANTS**7.1 CONFIDENTIALITY**

Neither Buyer nor Seller shall make use of, disseminate or in any way disclose any Confidential Information of the other, except as necessary to perform its obligations under this Agreement or as may be required by Applicable Requirements or with the express written authorization of the disclosing party, and each shall keep Confidential Information confidential and will ensure that its employees, agents, and representatives who have access to such Confidential Information comply with this non-disclosure obligation. Each of Buyer and Seller shall maintain appropriate physical, electronic, technical, and procedural safeguards to receive, store, dispose of (if applicable), and secure all Confidential Information to protect it from unauthorized access, use, disclosure, alteration, loss, and destruction, and to protect against any anticipated threats or hazards to the security or integrity of such records or information which could result in substantial harm or inconvenience to any customer of the other party. The safeguards used to protect Confidential Information of the other party shall be no less than those used by such party to protect its own Confidential Information.

Except as permitted by Privacy Law, each of Buyer and Seller shall use Customer Information of the other only for the express purposes set forth in this Agreement and disclose Customer Information of the other to third Persons only as necessary to implement the provisions hereof in a manner consistent with the Privacy Law. Each of Buyer and Seller shall maintain at all times a program or programs to (i) ensure the security and confidentiality of Customer Information, (ii) protect against any anticipated threats or hazards to the security or integrity of the Customer Information and (iii) protect against unauthorized access to or use of the Customer Information that could result in substantial harm or inconvenience to any customer. Each of Buyer and Seller shall comply with all Privacy Law applicable to it and shall assess, manage, and control risks relating to the security and confidentiality of all Customer Information, and shall implement the standards relating to such risks in the manner set forth under Privacy Law.

7.2 RESTRICTIONS ON PUBLICITY

Without the prior written consent of Buyer, Seller shall not use the corporate names, logos, brand names, trademarks, trade names or service marks of Buyer or any of its affiliates, or otherwise identify Buyer, or any of its affiliates, in Seller's advertising, marketing or promotional material, publicity releases, communications with the press, customer listings, testimonials, websites, any other material distributed by or on behalf of Seller or in any proposals to prospective borrowers, brokers, clients or appraisers.

7.3 SOLICITATION OF MORTGAGORS

During the first twelve (12) months of the term of any Mortgage Loan, neither Seller, nor any affiliate of Seller shall take any action personally, by telephone, mail or otherwise, to solicit the prepayment of such Mortgage Loan, in whole or in part, without the prior written consent and approval of Buyer. It is understood and agreed that promotions undertaken by Seller or any affiliate of Seller which are directed to the general public at large, including mass mailings based on commercially acquired mailing lists, newspaper, radio and television advertisements, shall not constitute solicitation under this paragraph.

7.4 EARLY PAYMENT DEFAULT

Seller shall, upon request from Buyer, repurchase at the Repurchase Price, in accordance with the Repurchase Obligation Section of this Guide, any Mortgage Loan for which any of the first six (6) monthly payments due to Buyer is not made within 60 days of each such monthly payment's respective due date.

7.5 EARLY PAYOFF

If a Mortgage Loan is paid in full within the first 180 days of the first payment due date, Seller shall reimburse Buyer that portion of the Purchase Price (expressed as a percentage) in excess of par multiplied by the unpaid principal balance of such Mortgage Loan as of the date of the payment in full.

7.6 INTERIM SERVICING; SERVICING TRANSFER NOTICES

To the extent Seller services a Mortgage Loan after the related Purchase Date, Seller (or its designee, which designee must be approved in writing by Buyer) shall service the Mortgage Loan in conformance with all Accepted Servicing Practices and Applicable Requirements until such time as the servicing of such Mortgage Loan is transferred to Buyer or its designee. Seller shall promptly follow Buyer's instructions regarding transferring any such servicing. During any such interim servicing period, Seller shall (a) promptly remit (but in any event within three (3) Business Days of receipt) any funds collected by Seller on account of the related Mortgage Loan and (b) shall not amend, waive or modify any provision of a Mortgage Loan without the prior written consent of Buyer. If applicable, Seller shall, at its expense and in accordance with Applicable Requirements, mail the form of notification approved by Buyer to Mortgagors of the transfer of the related servicing responsibilities, and instruct the Mortgagors to deliver all mortgage and related payments and all tax and insurance notices to Buyer or its designee after the Purchase Date. In any event, such notice shall, (i) indicate the date on which the servicing duties are to be transferred, (ii) identify the date upon which Seller will no longer accept payments on the Mortgage Loan, (iii) identify the date upon which payments are to commence to Nations Direct Mortgage or its designated servicer, (iv) identify the successor servicer appointed by Nations Direct Mortgage and (v) include Seller's address, appropriate department name and telephone number, in each case which the Mortgagor may contact with questions.

NON-DELEGATED CORRESPONDENT SELLER GUIDE

Upon request, Seller shall promptly provide Nations Direct Mortgage with evidence of any such notice. Seller shall deliver to Nations Direct Mortgage all update policies reflecting the above-described mortgagee clause within ninety (90) calendar days of the related Purchase Date.

7.8 ELIGIBILITY; APPROVALS

Seller shall obtain and maintain in full force and effect and satisfy at all times the Eligibility Standards and all eligibility criteria in order to maintain in full force and effect, without material impairment, suspension or revocation, all federal and state governmental approvals, registrations, qualifications, permits and licenses necessary both to perform its obligations hereunder.

7.9 QUALITY CONTROL; REVIEW OF LOAN FILES

Seller must establish and maintain its own set of standards for loan quality that are designed to define the credit culture and aid in the development of the appropriate controls necessary to ensure that the mortgage loans originated and closed by Seller are investment quality. Such quality control plan, standards, and processes must (a) include the reporting results of such reviews to Seller's senior management, who must prescribe actions addressing and remediating defects discovered in the lender's review process, (b) be designed to maintain compliance with Applicable Requirements, (c) guard against fraud, negligence and errors and omissions by officers, employees, contractors, brokers, borrowers, marketing partners, and others involved in the mortgage process and (d) assess compliance with internal policies. Seller shall conduct periodic quality control reviews of its origination operations and, upon request of Buyer, provide copies of its findings to Buyer. Buyer shall have the right, in its sole discretion, to review any and all of Seller's records relating to the Mortgage Loans for quality control purposes. Seller agrees to make such files available to Buyer for inspection upon receipt of three (3) Business Days' prior written notice.

7.10 SUPPLEMENTAL INFORMATION

Seller shall notify Buyer immediately upon Seller's knowledge of any breach of any representation, warranty or covenant contained in the Transaction Documents. From time to time prior to and after any Purchase Date, Seller shall furnish to Buyer such information supplementary to the information contained in the documents and schedules delivered pursuant hereto which is reasonably available to Seller as Buyer may reasonably request or which may be necessary to enable Buyer to file any reports due in connection with the Mortgage Loans or to determine the continuing eligibility of Seller to sell Mortgage Loans to Buyer.

SECTION 8. EVENTS OF DEFAULT; TERMINATION; REPURCHASE AND OTHER REMEDIES**8.1 EVENTS OF DEFAULT**

Each of the following shall constitute an “Event of Default” under this Guide, the Loan Purchase Agreement and other Transaction Documents:

- Any breach of any of the representations, warranties or covenants set forth in this Guide, the Loan Purchase Agreement or other Transaction Documents, or the failure of Seller to perform any of its obligations under this Guide, the Loan Purchase Agreement, or other Transaction Documents; or
- The occurrence of an act of insolvency or bankruptcy concerning Seller, including, without limitation: (i) a decree or order of a court or agency or supervisory authority having jurisdiction for the appointment of a conservator or receiver or liquidator in any insolvency, readjustment of debt, marshaling of assets and liabilities, or similar proceedings, or for the winding-up or liquidation of its affairs, shall have been entered against Seller; or (ii) Seller shall consent to the appointment of a conservator or receiver or liquidator in any insolvency, readjustment of debt, marshaling of assets and liabilities, or similar proceedings of or relating to Seller, or of or relating to all or substantially all of its property; or (iii) Seller shall admit in writing its inability to pay its debts generally as they become due, or Seller files a petition to take advantage of any applicable insolvency or reorganization statute, makes an assignment for the benefit of its creditors, or voluntarily suspends payment of its obligations; or
- Seller (or any Person into which Seller is merged or consolidated) fails to meet the Eligibility Requirements.

8.2 REPURCHASE OBLIGATION

In the event (a) of a breach of any of the representations, warranties or covenants contained in this Guide, including without limitation those contained in [Representations and Warranties](#), which breach materially and adversely affects the value of the Mortgage Loans or the interest of Buyer in the related Mortgage Loan [and, if such breach is susceptible to cure, Seller was unable to cure such breach within thirty (30) days] or (b) a Mortgage Loan becomes subject to an early payment default as described in the [Early Payment Default](#) section of this Guide, Seller shall, at Buyer’s option, repurchase the related Mortgage Loan at the Repurchase Price. Any such repurchase shall occur no later than five (5) Business Days after the earlier of the date on which Buyer notifies Seller of such breach or the date on which Seller knows of such breach (or if applicable, five (5) Business Days after expiration of the cure period). Seller agrees to pay any and all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with any such repurchase, including, without limitation, Buyer’s reasonable attorney’s fees.

Any such repurchase shall be accomplished by wire transfer from Seller to Buyer of immediately available funds. Upon receipt by Buyer of the Repurchase Price, Buyer shall release to Seller the related Loan File and shall execute and deliver to Seller such instruments of transfer or assignment, in each case without recourse, as shall be necessary to vest in Seller, or its designee, title to such repurchased Mortgage Loan. Seller shall assume the cost of recordation of assignments and other costs of transfer of any repurchased Mortgage Loan.

Without limiting the foregoing, notwithstanding any other provision of the Guide or Loan Purchase Agreement to the contrary, with respect to each Mortgage Loan required to be repurchased pursuant to the foregoing provisions for which Buyer has acquired title to the related Mortgaged Property through foreclosure, deed-in-lieu of foreclosure, abandonment or reclamation from bankruptcy of the defaulted Mortgage Loan, then, within

NON-DELEGATED CORRESPONDENT SELLER GUIDE

thirty (30) days after Buyer's demand therefor, Seller shall, at Buyer's option, purchase the Mortgaged Property from Buyer at a purchase price equal to the Repurchase Price.

8.3 INDEMNIFICATION; THIRD PARTY CLAIMS

In addition to any repurchase and cure obligations of Seller, and any and all other remedies available to Buyer under the Transaction Documents, Seller shall indemnify Buyer, Buyer's designees and assignees (including, without limitation, any subsequent holder of any Note), and Buyer's officers, directors, employees, agents, affiliates and subsidiaries from and hold them harmless against all claims, losses, damages, penalties, fines, claims, forfeitures, lawsuits, court costs, liabilities, reasonable attorney's fees, expenses, judgments and any other costs, fees and expenses that any of them may sustain in any way related to or resulting from any breach of any representation, warranty, obligation or covenant contained in or made pursuant to any Transaction Document by Seller or any agent, employee, representative or officer of Seller. In addition to any and all other obligations of Seller hereunder, Seller agrees that it shall pay the reasonable attorney's fees of Buyer incurred in enforcing Seller's obligations hereunder, including, without limitation, the repurchase obligation set forth above. The indemnification obligations of Seller hereunder shall survive the termination of the Transaction Documents.

With respect to claims for indemnity hereunder related to claims by third parties, promptly after receipt by an indemnified party hereunder of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against Seller hereunder, notify Seller of the commencement thereof, but the omission to so notify Seller will not relieve it from any liability that Seller may have to any indemnified party hereunder except to the extent that Seller has been materially prejudiced by such failure. In case any such action is brought against any indemnified party, and it notifies Seller of the commencement thereof, Seller will be entitled to participate therein and, with such indemnified party's consent, to assume (at its own expense) the defense thereof, with counsel satisfactory to such indemnified party (which counsel may be counsel to Seller). If Seller assumes the defense of any proceeding, it shall be entitled to settle such proceeding with the consent of the indemnified party, which will not be unreasonably withheld or delayed or, if such settlement provides for release of the indemnified party in connection with all matters relating to the proceeding which have been asserted against the indemnified party in such proceeding by the other parties to such settlement, without the consent of the indemnified party.

8.4 ADDITIONAL REMEDIES; SETOFF

All of Buyer's remedies hereunder, including, without limitation, the termination rights, the repurchase obligation with respect to the Mortgage Loan, the purchase obligation with respect to the Mortgaged Property, and the indemnification with respect to any breach of a representation, warranty or covenant (or any other Event of Default), shall exist regardless of (i) the dates of Buyer's discovery and notice to Seller of the breach and Buyer's demand for any remedy and (ii) any limitation or qualification of a representation or warranty as being made "to Seller's knowledge" or "to the best of Seller's knowledge" or any similar qualification relating to the knowledge of Seller. Notwithstanding any other provision of the Guide or Loan Purchase Agreement to the contrary, Seller shall remain liable hereunder, even if Buyer discovers a breach after the Mortgage Loan is liquidated in foreclosure.

Upon the failure by Seller to perform any of its obligations under the Transaction Documents, including without limitation the failure to pay any and all monies due Buyer, in addition to all rights Buyer may have under Transaction Documents or at law or in equity Buyer shall have the right to deduct any amount due to Buyer from any amount due to Seller.

NON-DELEGATED CORRESPONDENT SELLER GUIDE

All rights and remedies granted to Buyer hereunder, under any other Transaction Document or under applicable law are cumulative, not exclusive, and are enforceable and exercisable in Buyer's discretion, alternatively, successively, or concurrently on any one or more occasions.

8.5 WAIVER OF DEFAULTS

Buyer may waive any default by Seller in the performance of Seller's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by Buyer in exercising or failure to exercise any right arising from such default affect or impair Buyer's rights as to such default or any subsequent default.

8.6 TERMINATION

8.6.1 Termination for Cause

Upon the occurrence and during the continuance of an Event of Default, Buyer may, in its discretion, take any one or more of the following, non-exclusive actions: (i) immediately terminate the Loan Purchase Agreement between the parties and its obligations thereunder without notice, (ii) immediately rescind any or all outstanding Commitments and (iii) suspend the Transaction Documents as to future Commitments. Any such termination shall not affect Seller's obligations with respect to Mortgage Loans previously sold or delivered to Buyer prior to the effective date of such termination. As indicated in clause (ii) above, in connection with an [Event of Default](#), Buyer may refuse to purchase any or all mortgage loans after the effective date of termination, including any mortgage loans that were then subject to a Commitment.

8.6.2 Termination without Cause

In addition to the provisions set forth elsewhere herein or in the Loan Purchase Agreement for termination of the Loan Purchase Agreement, the Loan Purchase Agreement may be terminated without cause at any time by either party upon prior written notice of termination to the other party. The effective date of termination must be specified in such notice and must be at least thirty (30) calendar days after the date such written notice is sent. Any termination of the Loan Purchase Agreement without cause shall not in any respect change or modify the obligation of Seller or Buyer with respect to Mortgage Loans already subject to a Commitment.

8.6.3 Effect of Termination

Termination of the Loan Purchase Agreement shall not in any way affect either Seller's or Buyer's obligations, representations, warranties, or indemnifications with respect to Mortgage Loans already purchased by Buyer.

8.7 SURVIVAL OF REMEDIES
