### Setting Up an e-Authentication Account

- Log onto the e-Authentication website
- Utilize the “SFHGLP System Access and Security Guide” to view step by step instructions on setting up the e-Authentication account. This can be found under the Security section of the USDA LINC Training & Resources webpage.
- Register for LEVEL ONE access. GUS only requires a LEVEL ONE access. Complete all of the required data fields. You can create your own unique e-Auth ID and password. All passwords remain in the possession of the e-Auth account holder.
- An activation email will be sent to you typically within 24 hours. There is a link in the email that must be selected in order to activate the e-Auth ID
- Complete the NDM USDA Broker/TPO form with the exact information used to create the account and send it to the NDM Approval Desk [ApprovalDesk@myndm.com](mailto:ApprovalDesk@myndm.com)
